

# PUBLIC CONSULTATION

## Rushden Living

You are invited to a public exhibition and consultation on plans for a new mixed-use development at Rushden Lakes.

The developers of Rushden Lakes are preparing a planning application for a new mixed-use development. The proposed development, to be known as 'Rushden Living', will provide a range of new business and retail opportunities to the west of Rushden Lakes.

To help the development team understand local opinion, we are holding a consultation event to display the plans and seek feedback. This is your opportunity to meet the project team and view the proposals.
