

Dear Customer,

For safety reasons, we'll be making some changes to the temporary road layout at the A45 Chowns Mill junction:

From Friday 4 June, drivers will notice a change in alignment to the traffic barriers on the A6 Southbound approach and A45 Westbound approach.

Highways England would also like to advise customers that from Saturday 5 June, between the central Island and the A45 WESTERN Arm (below), the lanes will be reduced to one lane for safety reasons

We advise drivers to take extra care whilst using the new road layout and to allow more time for their journeys

We'd like to remind you of this weekend's road closures:
